1 It's Goodman Deposition 9.

2 MR. SCHNETZLER: And counsel, I'm only  
3 going to submit to the court reporter the photos  
4 we actually look at from Exhibit D, if that's  
5 all right. I have them numbered but we're not  
6 going to look at all of them, just so you know.

7 BY MR. SCHNETZLER:

8 Q So I'm going to share my screen again,  
9 Dr. Goodman. All right. You should be able to see  
10 there, Dr. Goodman. It says Goodman Dep 9 up in the  
11 top right on your screen.

12 A Yes.

13 Q Is that another photo of Mr. Givens?

14 A It is, yeah. That's a photo of him face  
15 down, so how we get back photos.

16 Q Okay. And Dr. Goodman, these areas of  
17 these pinkish reddish areas around sort of the  
18 outside edges of his back?

19 A Yes.

20 Q What is that?

21 A That is called livor mortis or lividity.  
22 So after you pass away, your blood stops pumping from  
23 your heart and it pools in the direction of gravity  
24 within blood vessels. So it's basically just  
25 settling of the blood. It's indicating that he was
